Dear Middletown Resident:

Your request to enroll in the budget payment program has been approved. The amount of your monthly utility budget payment is \$. To arrive at this budget amount, we averaged the last twelve months of your utility bills. This amount will automatically be debited from your bank account on the last business day of each month.

Please note that regardless of when you enroll for budget payments, all budget accounts with the Town of Middletown will be reviewed in June of each year with new budget amounts beginning in July. Notices of new budget amounts will be mailed in June of each year. Any remaining amount due or credit on your account at review time (each June) will be calculated into your new budget amount.
